It's a Refund/Not a Loan/Not PPP/Your Money. Find Out If You Qualify.

Since the founding of America, Small Business Owners have been, and are, essential as the largest employer in our country. The ERC Awareness Initiative (ERCAI) exists to alert small business owners to the limited time ERC. Please Help our nation by spreading the word to Small Businesses you know as time is running out.

NOTE: ERCAI is an Independent Referral Partner of Bottom Line Concepts (BLC) - Government Aid Division, that has seasoned Advisors trained in the ERC Refund process. In the event that a Small Business, referred to BLC by ERCAI, Qualifies and Receives a refund, ERCAI might receive a commission paid by BLC to us. Small Business Owners and their Advocates may share this site free of charge to help other business owners. ERCAI does not provide any advisory services nor is involved in the ERC Refund process.
